**EXPRESSION OF INTEREST  
(UNDER INTERNATIONAL COMPETITIVE BIDDING)**

**FOR**

**SUPPLY OF EQUIPMENT & MATERIALS AND PROVISION OF SERVICES FOR KHARSANG OILFIELD, ARUNACHAL PRADESH, INDIA**

**General information about Kharsang Oil Field**

The Government of India has entered into a Production Sharing Contract (PSC) with the Contractor Parties currently comprising Oil India Limited, Hindustan Oil Exploration Company Ltd., JEKPL Private Limited (Formerly known as Jubilant Energy (Kharsang) Private Limited) and GeoEnpro Petroleum Limited (together "Consortium") for the development of Kharsang Oil Field in Arunachal Pradesh, India.

GeoEnpro Petroleum Limited (GEPL or Company), 100% subsidiary of Hindustan Oil Exploration Company Ltd is designated as the Operator of Kharsang Oil Field. Company's operation base is at Kharsang Field, Changlang District, Arunachal Pradesh and its head office is located at Chennai, Tamil nadu. The Kharsang Oil Field is spread over approximately 9.7 square kilometer area, with access roads and sand graveled well locations.

The nearest towns are Margherita and Miao. Digboi oil refinery owned by Indian Oil Corporations Ltd. is around 60 Km from Kharsang oilfield. The nearest airport is in Dibrugarh which is 140 km from Kharsang. There are number of small tribal villages in the region where certain services, particularly unskilled labours are available.

72 wells have been drilled in the Kharsang Oil Field, out of which 34 wells are on production now. The Field is currently producing approximately 500 BOPD crude oil. Further, in order to enhance the production from the Field, the Consortium is in the process of drilling new development wells in Kharsang Oilfield. Under the approved Field Development Plan (FDP), 43 development wells are approved for drilling in phased manner, out of which 09 wells are already under drilling, 09 development wells drilling expected to start in the third quarter of FY 2025-26 and 03 exploratory wells drilling expected to start in the 04th quarter of FY 2025-26.

Considering the above programs, GEPL, on behalf of the Contractor Parties to the PSC for Kharsang Oil Field invites Expression Of Interest (EOI) under International Competitive Bidding (ICB) procedures from suitably experienced (Minimum 03 years Experience) Contractors/Suppliers/Vendors/Bidders who wish to participate in the tenders to provide for following services and supplies:-

S.NO.	CATEGORY	DESCRIPTION OF SUPPLY/SERVICES
1	<b>DRILLING SUPPLIES &amp; SERVICES</b>	<b>SUPPLIES</b>
		Well Heads & Xmas Trees, Oil Well Casing & Production Tubing, Tubing accessories, Liner Hangers, External Casing Packers (ECP), Downhole gauges, drill pipe, float equipment (Float shoe, collar, cement plug etc.), Centralizers, Casing polish, PDC & TCR Drill Bits, Oil well Cements, Cementing, Drilling Mud Chemicals & completion fluid chemicals , and other Drilling supplies and accessories, HDPE liner.
		<b>SERVICES</b>
		1000 & 2000 HP Drilling Rig, Mud Engineering, Cementing, Wire Line Logging, Mud Logging, LWD/MWD/ Directional Drilling, Casing Running & Tubular Running Services, Liner Hanger Equipment Services, DST & TCP Service, Effluent Treatment Plant, Drilling Jars, Accelerators & Wash-over Tools, mud handling equipment, safety equipment. Casing Cold Cutting, Milling, Fishing Tools, Waste Management Services, Day & Night Drilling Supervisors & field geologist, New Location survey, Civil Works (site preparation Work), and other Drilling and well Testing services, Static and Dynamic Modeling Services, G & G studies, Rig Inspection & tubular Inspection service (NDT), lifting equipment service, Insurance service, Laboratory analysis of core, soil, Oil, Gas & sample, Manpower Consulting Services etc.

2	<b>WORKOVER &amp; PRODUCTION SUPPLIES &amp; SERVICES</b>	<b>SUPPLIES</b>
		Workover Rig, Triplex pump, duplex pump, motors, centrifugal pump, 37 kl Wellhead tanks, Artificial Lift Equipment like SRP units, Gas Lift Equipment, PCP (progressing cavity pump), ESP (Electrical submersible pump), Plunger Pump, Hydraulic Pump, and Jetting Pump etc. Sucker rods, sucker rod centralizers, Guides, Chemicals like KCL, Calcium Chloride, Calcium Carbonate, XC polymer, 32% HCL acid, HF acid, surfactant, mutual solvent, wax dissolving chemical (MTO), Oil Soluble Demulsifier, Ethylene Glycol Mono Butyl Ether (EGMBE), Corrosion inhibitor, Xylene/Toulene etc. Wire ropes, Piano wires, Gas flow meters, Mass flow meter, High Pressure recorders and Chart papers, High pressure rubber houses, Pressure gauges, Swab Cup, downhole completion equipment like Hydraulic packer, Mechanical Packer, bridge plug, nipples, downhole pump for SRP & PCP, Sliding Sleeve Door (SSD), gas lift valve, XN& X nipples, ON OFF tool, Tubing shoe and Pump out plug, High Pressure Gate Valves, etc
		<b>SERVICES</b>
		Crude oil analysis / Gas sampling & Wax analysis, Production testing service, Multi bean testing service, surface well testing equipment, Downhole data acquisition service. Hiring a compressor service, wire line service for perforations and bridge plug setting, consultant hiring for fishing operation, Cementing Service, Water shut off service, Matrix Acidization & Sand consolidation Service etc
3	<b>COMPRESSOR FACILITY</b>	<b>SUPPLIES</b>
		Compressor package with Gas engine driven system, auxiliary equipment/ items such as filters, inter-coolers, separators, scrubbers, piping, pressure vessels, instruments, & control system, fire & gas detection equipment and electrical items and its accessories, high pressure pipe line, valves, gauge and fittings etc.
		<b>SERVICES</b>

# GEOENPRO PETROLEUM LIMITED H O E C

		Conceptual/Feasibility study & technical support service, Consulting Services, Engineering, & design of compressor facility with pipeline network, process description & process flow diagram, P&IDs etc. installation, and commissioning service. O& M services, Civil Construction, inland piping, O & M Services.
--	--	--

4	MISCELLANEOUS	<b>SUPPLIES</b>
		4" water pipe line, Power Cable, Panel board, switches etc. 2" & 4" high pressure pipeline and its fitting assembly, 2" stream line, HDPE Liners, Fire Fighting & Safety Equipment, Low & High pressure pipe fittings, HSE equipment like (Coverall/Uniform, Safety Industrial Shoe, gloves, Safety goggles & helmet), HSE Accessories (Half face respirator with cartridge, emergency light, spark arrestor, gum boot etc.), dry & wet ration, IT product supplies (hardware & software).
		<b>SERVICES</b>
		Chemicals for Water Treatment for Effluent treatment Plant, Civil Work (Road preparation, repair & maintenance of housing complex and office area.), IT Services, etc., Project Management Services, Insurance, Vehicle Hiring, Transportation Services, etc.

The interested Contractors/Suppliers (Indian and Foreign) are invited to submit their **"Expression of Interest"** in email (along with attachment in PDF format) on or before **July 07, 2025 till 17:30 Hours (IST)** demonstrating their successful track record along with list of previous completed respective services and supplies as well as ongoing projects. Interested Contractors and Suppliers are required to provide following details:-

- Experience details of successfully completed respective Services and Services to Operators/Blocks
- Capability to mobilize and commence work during FY 2025-26. Contractor's/Supplier's previous experience in mobilizing equipment and services as per contractual schedule shall be demonstrated.
- Contractor/Supplier shall submit their details of equipment operating and maintenance.
- The Contractor/Supplier must also demonstrate that it has sufficient financial standing to commence and continue an operation.
- Audited financial statements of the last three financial years.

**GEOENPRO PETROLEUM LIMITED H O E C**

The communication should be super scribed as “**EXPRESSION OF INTEREST: KHARSANG OILFIELD**” quoting the Supply/Service they wish to offer to the following address:-
